Nano had a deep love and trust of her Lord. Despite everything against her and other Irish Catholics in the 1700's, she prayed, listened and followed God's call. Even in the most challenging of circumstances, to go where others feared to tread and do what others feared to do, she displayed many beautiful qualities including:

- Compassion
- Spirit
- Servant Heart
- Foresight
- Fearlessness
- Tenacity

These qualities sparked Nano's mission and continues to shine bright. We are inspired, as we continue ministering ***In Joyful Service*** and respond to current needs throughout the world in faithfulness to the gospel.
