

August 30, 2016

Welcome to everyone! Some of you may know me, and others may not. I am one of the Presentation Sisters who sponsor this college, and I want you to feel welcome here at Presentation. I will try to send you a reflection each week to share about our mission here at Presentation. I will try to keep it short so that it will be easy to read. Later this week, some of us Sisters will be offering you a treat (Root Beer Floats) at the College entrance to invite you to consider being a "Prayer Partner" with one of the Sisters. Most likely you will be needing prayers at some time or another this year. Our Sisters are always happy to pray for you. Last week one of our Sister had a friend come visit her, who had been her 'prayer partner' at PC about ten years. The friend told us that they have continued to be 'prayer partners' throughout these ten years. Perhaps you might like to have an experience like that, one that might carry you through all your years here at Presentation and beyond.

Should you want to visit with one of the Sisters, signing up to be a Prayer Partner would be an ideal way to get to know one of them better. You can choose how often and when you meet with your prayer partner. Some of you had a Prayer Partner last year, and if you wish to continue with the same Prayer Partner let me know. I urge you to tell your new friends what a blessing having a prayer partner can be for them. You can sign up when you get your Root Beer Float, **or** you can email me at --srmarilyn.dunn@presentation.edu).

God bless you!

Sister Marilyn Dunn, PBVM (srmarilyn.dunn@presentation.edu)
Assistant in Student Services & Mission
