Name of Camper _____

We highly suggest that your child LEAVE ALL ELECTRONIC DEVICES AT HOME. We have had iPods, cell phones, and other devices misplaced or lost. Even though we ask the girls to turn these devices in when they get to camp, some girls have chosen to keep them. When campers who are abiding by the rules of the camp see girls who are not following the rules, the proper thing to do is to tell a counselor. This puts everyone in an awkward situation. To help us with this, we ask that you fill out this form so we know what your choice is for your daughter.

Please mark the choice that applies.

_____ My child will NOT have any electronic devices with her.

_____ My child WILL have electronic devices with her. Please list all of the devices that your child will have with her. Please be specific as you list this device. _____

I understand that this device will be taken when my daughter gets to camp and given back to her Friday morning.
