

**June 2, 2021**

Greetings to all of you! I'm hoping that you are all looking forward to the new school year. To all of you who have graduated, I will pray that you find a great job. When you were a student, you were probably excited about finishing school, but now you might be questioning – what next? I will be praying

that all goes well for you.

Not long ago we celebrated the Feast of Pentecost when the Holy Spirit came down upon the Apostles. Scripture tells us that they were "filled with the Holy Spirit and began to speak in various tongues". Many of the people were questioning what was happening, most of them were Galileans, yet they were all speaking in various languages. How could this have happened? Most likely, you would have wondered what was happening, too.

The next passage for that Sunday reminds us that "there are different gifts but the same Spirit... different forms of service but the same God who produces all of them..." Yes, we can begin to know that the **One God** gives us all the gifts we desire. Let us trust that this One God will bless and keep us safe, giving us many, many gifts. What are you most grateful for today? Give thanks to God for that gift now.

May God bless you all as you strive to bear fruits that will last!
