This past Sunday was Father's Day. I'm hoping that all of you who are 'fathers' had a wonderful day, and those who are not fathers spent some time thanking those who were your fathers for what they did for you. When I was young we did not do much to make 'Father Day' special for my dad. So now, I try to **pray specially** for the 'fathers' around us, and to pray for my own father who died many years ago. I did love my father very much however, and hope he knows how much I love him now. Let's pray for all of our fathers now.

A couple of weeks ago our Sisters had a Community Gathering. We will continue to meet together throughout this next year, as we determine new leadership for our community. Keep us all in your prayers during this year.

Another thing that we did about a week ago was provide meals for the children in this area through the Salvation Army. It was a nice experience as each one of us gave of our time making sandwiches, and filling sacks with fruit, chips, and other goodies. Let's be aware of all the people in the world who lack the necessities of food. If you see people who are hungry, do what you can to help them.

Before long, our Sisters will be making a week's retreat. I look forward to that, as it gives me time to reflect and pray about all of my needs, and the needs of so many other people around the world.

May God bless all of you!
