

September 16, 2021

Part of the Gospel this week Friday says, “*Some seeds fell on good soil, and when it grew, it produced fruit a hundredfold.*” (Luke

8:8) Those words seem to speak a lot to me, as it reminds me that God wants us to produce good fruit. God is planting seeds in our hearts. Are we letting it grow in us? Take time to listen to His words in your hearts, and let it produce fruit a hundredfold.

I am hoping that your first few weeks of school have been going well. A few years ago, I encouraged students to sign up to be a ‘prayer partner’ with a Sister. The Sisters do not live in the building next to the College anymore, so the prayer partner relationship would have to be a bit different now. It would be possible to have the relationship by way of telephone or letter writing. I still have a couple friends that used to be ‘prayer partners’ with me. They now work at Avera St. Luke’s, and we still occasionally get together by telephone. So, think about it, and let me know if you would like to be a ‘prayer partner’ with someone – a Sister or another college person (student or faculty). Prayer partners are encouraged to join together for prayer and sharing about once a month. Let me know by responding to srmarilyn.dunn@presentation.edu by the end of September if you would like that opportunity.

God bless you all!

Sister Marilyn Dunn, PBVM
