

Economic Justice

Through education and workshops, we provide people with the opportunities to learn valuable, life-sustaining skills, such as opening small businesses, compost making for farms and raising chickens, cows, goats and ducks.

Culture of Peace

May all people find inspiration and strength to build a future of reconciliation, justice and peace for all the children of this beloved land.

Pope Francis

Justice is Our Work

As Christians, justice is the work of all of us. Collaboratively, when each person takes this work of justice into their own hearts, the gift and mission of justice lives and spreads to all corners of the world.

Globally, over 1,500 Presentation Sisters serve in 24 countries throughout the world through a partnership with the International Presentation Association (IPA). This group of Catholic religious congregations of Sisters of the Presentation of the Blessed Virgin Mary, friends, and associates work for personal and systemic change for all people and our Earth.

We invite you to join us on this journey. Together, let us live the mission of justice, spreading peace and love to all corners of the world.

Universal Human Rights

Throughout the years, our Presentation Sisters of South Dakota have worked collaboratively with other Presentation Sisters around the globe, serving in missions in Mexico, Guatemala, Bolivia, and most recently in Zambia, Africa.

Since our return to Zambia in 2008, Presentation Sisters have been working alongside the people of Zambia, assisting in the development of several programs to provide sustainable careers and communities. These established programs are continuing to thrive and generating sufficient funds to pay expenses and also assist the poor.

We reach out in faith, in a spirit of hospitality and simplicity to all of creation. The cry of those made poor and the cry of the Earth call us to continue the mission of Jesus ... to bring forth a sustainable society founded on respect for Earth, universal human rights, economic justice and a culture of peace.

"If I could be of any service in saving souls in any part of the globe I would willingly do all in my power."

Venerable Nano Nagle

To enhance further development in Zambia and Zimbabwe, we are collaborating with other Presentation Sisters to implement the African Sustainability Project. Sisters working in these communities will be invited to apply for funding, ensuring their work with the poor continues far into the future.

Respect for the Earth

Composting

...hear both the cry of the Earth and the cry of the poor.

Laudato Si', 49
