

Sisters of the Presentation  
of the Blessed Virgin Mary

*In Joyful Service*

Our Congregation Chapter Call to “do nothing alone” has led us into partnership with individuals and businesses, both locally and nationally, that are simultaneously doing ecological and socially focused work. We work in conjunction with them, learning new ways to move forward with our vision, bringing out more of the land’s natural beauty as a lasting gift to the Aberdeen community. “[Together, we continue to look ahead with our partners, as we have always done, in regards to our future and to addressing needs both locally and globally,](#)” shares Sister Janice, past Congregational President.

We are thankful for our many partners:

Aberdeen City Officials (local)

Brown County NRCS Office

Brown County DOT Office

[Eco Sun Prairie Farms](#) (Carter Johnson)

[Millborn Seed Inc](#) (Justin Pederson)

[SDSU Extension](#) (Pete Bauman)

[South Dakota Grassland Coalition](#) (Judge Jessop)

[South Dakota Soil Health Coalition](#) (Cindy Zenk)
